4. Games

All games are played according to FIPJP (Fédération Internationale de Pétanque et Jeu Provençal) - approved petanque game rules.

4.1. Field size must match CEP (Confédération Européenne de Pétanque) rules (3x13).

4.2. In the case of a tie game, teams play an extra end.

4.3. Different teams will play different formats (singles, doubles, triples) at the same time.

4.4. In SINGLES team need to mark 6 players who will play and there must be marked at least one opposite sex.

4.5. In DOUBLES team need to mark three doubles - one mixed (man and woman) and freely formed doubles.

4.6. In TRIPLES team need to mark two triples - one mixed and one freely formed triple.

4.7. In DOUBLES and TRIPLES teams are allowed to make one player change but they need to announce it to the referee and opponents.

5. WINNER

5.1. For win in singles gives 2 points (12pt max)

- 5.2. For win in doubles gives 3 points (9pt max)
- 5.3. For win in triples gives 5 points (10pt max)
- 5.4. Winner is that club, which have the most points
- 5.5. For win against other club gives 3 points, for loss - 0 points
- 5.6. If two or more teams have the same points in group, then the winner is that team which have better:
- The sum of points only between those teams (5.1, 5.2, 5.3)
 - The difference of small points (game results (13:1 or 9:8)) between those teams
 - Total small points (game results (13:1 or 9:8)) difference between all teams.
